Join the Salmon Protection and Watershed Network
for the 1st of our exciting
Salmon Seminar Series!

*What limits the recovery of endangered
salmon in Lagunitas Creek?*

~An evening with aquatic ecologist Leslie Ferguson~

**Tuesday, Nov 29, 2005
7:00 PM**

Leslie Ferguson, an aquatic ecologist and civil engineer with the Regional Water Quality Control Board, has spent extensive time snorkeling the waters of Lagunitas Creek counting and observing coho and steelhead as they eat, grow and defend their territories.

**San Geronimo Valley Cultural Center (in San Geronimo)
6350 Sir Francis Drake Blvd. (5 mi. west of Fairfax)**

This event is wheelchair accessible

This event is FREE. Donations are welcome.

Join SPAWN in a fascinating journey into the ecosystems of the watersheds of Marin County and beyond. Distinguished speakers will present and facilitate lively and interesting discussions on the ecology of salmon, steelhead, river otters and bird populations.

Call Paola Bouley to RSVP: (415) 488-0370 x102
