Salmon Protection & Watershed Network of Forest Knolls
P.O. Box 400
Forest Knolls, CA 94933

Dear Salmon Protection & Watershed Network of Forest Knolls:

Congratulations on being named a 2010 River Warrior by the Resource Renewal Institute. This award is highly prestigious, given to those whose practices enhance and protect water quality, fish, wildlife, and river ecosystems.

The impact of climate change on our river systems is one of the most pressing issues we face and it is imperative that we all step up and do our part if we are to have any hope of reversing the damage being done. You were recognized because you are doing much more than just your part, you are dedicating your passion and efforts into affecting real change.

It is clear that you are richly deserving of this award and we in the community are deeply grateful for the wonderful work you are doing.

Sincerely,

A handwritten signature in blue ink that reads "Mark".
